2 YEARS WARRANTY

TABLE TOP TX PREMIUM

The highest quality table top made of moisture resistant birch plywood (30 layer) which perfectly damps vibrations. PREMIUM table top surface is coated with a special laminate resistant to impact, abrasion and splinters. Sides protected by ABS slats.

STAND PREMIUM SILVER

Steel, stable and durable stand with height adjustment (72 – 82 cm).

MORE POWER. LESS COSTS.

Built-in energy-saving AC Servo motor.

Energy-saving AC Servo motors work only when the machine is sewing. They maintain full power and save up to 70% energy (compared to electronic and standard clutch motors).
